BUTLER, MISSOURI, WEDNESDAY, APRIL 12 1882.

NO. 19

**The Women of Mormonism.**  
The Women of Mormonism, or the story of Polygamy, as told by the Victims Themselves, is the title of a new book which will be eagerly read. It is edited by Mrs. Jennie Anderson Froiseth, of Salt Lake City, one of the foremost workers in the Anti-Polygamy cause. She gives very nearly in the words of the poor deluded victims the accounts of their dreadful miseries and sufferings, showing how the first wife has often been forced for the sake of bread and shelter for her children to consent to have her husband take another wife, even the woman she most hated. While for herself she might have preferred to plunge beneath the waters of the Jordan, yet for the sake of her children she has consented to see her husband bring another woman into her home to usurp her place in his affections.

Every woman should read it that she may learn the better to prize the blessings of her own home and be able to sympathize with these poor unfortunate sisters and do more for their relief.

Rev. Moses Smith, pastor of the Second Congregational church, Detroit, Mich., writes: "I read the manuscript pages with an interest which at times rose to astonishment and indignation. This book I am sure will be found to be the right thing, in the right place, at the right time and from the right source. Every pastor in the land may recommend this volume before he sees it, and a million copies ought to be sold in one year."

The book is finely illustrated. It is sold only by subscription and offers a rare opportunity for enterprising agents to make money. For particulars address the publishers, R. S. Peale & Co., St. Louis, Mo.

If you are suffering from indigestion or any complaint of the Stomach or Bowels, you will obtain great relief by using the Prickley Ash Bitters, as they have the property of gently in reining these organs and placing them in a good sound and healthy condition.

A paper published at Mr. C. F. Burns old home in Ohio, alludes to that gentleman as follows:

Going away from home has the effect on some people of swelling them to proportions too big for a suit of clothes that was a "loose fit" when they picked up grip-sack and started for new pastures. For example, note the following from last week's Butler Times, printed in Bates county Missouri: "Mr. C. F. Burns, of the firm of McClintock & Burns, who is now visiting his friends in Ohio, speaks thus: 'I am back once more in old Roscoe and Coshocton, and it appears like one of those ancient towns we read of, which, age, the castles and ruins are tumbling down. No life, no go-aheadiveness that we have in the west, and outside of my people and friends, I have no desire to remain longer than my allotted time. I am a Missourian.'"

The above only does Mr. Burns credit, and we only regret that the editor could not be induced also to come west and become a proselyte among us. But judging from his remarks he is clothed in a "tight fitting mossback suit," of very thick texture at that, and to get him out of it would require the combined effort of four yoke of oxen and a kicking mule.

Constipation is a disease-maker to all human beings. The rich and poor, the old and young, male and female are its regular victims. At the bedside the physicians first question is, "how are your bowels?" This condition has many causes, and leads to many diseases, as follows: indigestion, acid stomach, heartburn, fevers, biliousness, sick headache, torpidity of the liver, colic, inflammatory diseases, nervousness, loss of appetite, etc., etc. These conditions, can all be removed by the use of "Bayer's Saline Aperient," which is a pleasant and sparkling purgative, acting speedily and freely upon the stomach, bowels and liver; relieving indigestion, curing sick headache, heartburn and acid stomach; cools and quiets in fever; never produces pain or nausea.

Cooking stoves—the very best in the market. Turned by the quantity, large or small; all very cheap.

## CHRISTIAN LABORS.

### The Sabbath Day in Butler—Churches Sunday Schools etc.

#### PROGRESS OF THE CHURCH.

Sunday was indeed a very beautiful day and the good and bad people alike—if their be any of the latter class—improved of its clemency and went forth to their regular Sunday resorts.

#### PRESBYTERIAN CHURCH.

A large congregation was in attendance at the morning service. Mr. Newton preached from the text, "The Lord is risen indeed." Subject, Easter. Four united with the church. The church has just made up their annual report for the Presbytery. Thirty-two have united with the church during the year. About \$330 have been given to mission enterprises.

The services in the evening was in charge of the Ladies Missionary Society. Every exercise was deeply interesting and instructive, and was listened to with unflagging interest to the end. This society hold their annual meeting to-morrow afternoon at 3 o'clock in the Presbyterian church.

Mr. Newton leaves to-day to attend the meeting of the Presbytery at Tipton.

#### DAKOTA ST. M. E. CHURCH.

Rev. Jno. D. Wood, pastor, now conducts the Sunday school, which was unusually interesting on Sunday, there being some 65 scholars in attendance. Mr. Wood preached in the morning to a large and very attentive congregation on "Baptism." At the close of the discourse Mr. Mason W. Dunbar was baptized. There was profound attention throughout the services. In the evening the pastor preached from Luke 7: 34. There was one accession. Miss Minnie McFarland was elected organist for the church and Sunday to succeed Miss Kate Glessner resigned.

#### BAPTIST CHURCH.

Rev. Brown entered upon his second years' ministry in this city Sunday. His morning subject was "Two wagons and four oxen," and four wagons and eight oxen." Evening subject, "Christ's answers to the Devil's temptations." Good congregations were present both morning and evening. Four additions were made to the church. The Sunday school in the morning numbered 141.

#### CHRISTIAN CHURCH.

Elder Reid held forth at his church, and preached to very large audiences. The acquisitions to this church have been so numerous of late that some talk is already being indulged in of enlarging the edifice. It is said that scarcely a Sunday passes that some members of the organization don't fail to gain admittance to the church, so large is the congregation.

#### OHIO ST. M. E. CHURCH.

Rev. Alexander, the new pastor for the M. E. church North, in this city, preached very able sermons Sunday at that church. His people are very favorably impressed with his first efforts. Rev. Jackson succeeds Rev. C. V. Criss, who was sent to Belton this year, and is formerly from Sedalia. The Sabbath school was very large.

#### NEW SUNDAY SCHOOL.

The members of the C. P. Church met at the court house Sunday and organized a Sunday School. The following officers were elected. Sup't., Father Renick; Ass't Sup't., Till H. Smith; Sec'y, Ed Steele; Treas., Mrs. Snyder; Librarian, Jno. Ludwick; Organist, Miss Kate Glessner. Further particulars next week.

**Thos. Allen Dead.**  
Washington, April 8.—Thomas Allen passed away quietly and easily at 3 o'clock this morning. The remains will be taken to Pittsfield, Mass., and interred there, it being the birth place of Mr. Allen.

#### Murderous Hazeltine.

St. Louis, Mo., April 7.—Advices from Boisdare, Green county, Mo., say that Chas. Hazeltine, a brother of Congressman Hazeltine, living on Clear creek, a few miles from the above named town, attempted to drown his wife in a deep spring, Friday last, but was prevented from doing so by his daughter.

Domestic infelicity, growing out of efforts on the part of Hazeltine to control his wife's property, led to the attempted murder. Hazeltine fled, and his whereabouts are unknown. Should he return, he will doubtless be lynched, as the indignation of the citizens against him is very great.

#### Experience the Best Guide

The reason why women everywhere use Parker's Ginger Tonic is, because they have learned by experience—the best guide—that this excellent medicine overcomes despondency, periodical headache, indigestion, pain in the back and kidneys, and other troubles of the sex.—Home Journal.

#### West Butler Notes.

West Butler is to have a plow factory. It will start in August.

It is pretty well settled that a brass and machine shop will be moved from Kansas City. The parties are of the opinion they will come, but will know shortly.

The street commissioner will soon begin to work the streets. A large amount of grading is to be done and a culvert is to be put in just west of Mr. A. H. Lamb's house, and one on Ohio street just east of the railroad. The town board will not meet again till a week from to-morrow night.

A poll tax of two days work or \$3 has been assessed against every man over twenty-one years old and the Marshal will proceed to collect it or have the work done, this and next week.

#### Have You Ever

Known any person to be seriously ill without a weak stomach or inactive liver or kidneys? And when these organs are in good condition do you not find their possessor enjoying good health? Parker's Ginger Tonic regulates these important organs, makes the blood rich and pure, and strengthens every part of the system. See other column.

Neither mental nor physical labor can be accomplished satisfactorily unless the system is in order. When you feel tired, languid, wearied without exertion, the mind slow to act, and requiring great mental effort, you can rest assured that your liver is not acting properly, and that nature requires assistance to help throw off impurities. There is no remedy that will accomplish this so mildly and yet effectually as "Prickley Ash Bitters." A trial will satisfy you of its merits.
